Natalee

I know your out there, somewhere
I can feel your presence
Pulling me, closely
Now even more than ever
I promise, to find you
I will never stop until I do

Cause everytime my heart beats
I want to cry
And everytime I take a breath
I long for you by my side
Needing just to hold you if even for awhile
Someway, somehow....Natalee where are you now?

Lord can you hear me, calling
Seeking out your face
To see you, shine through
Every cold dark place
I pray for and wait for
You to take me in your sweet embrace

Chorus ...
Someway, somehow...Oh Lord stay here with me now!

Bridge:
Oh my precious child be still and know
I'm holding on to hope and I won't let go
I need to have you here with me
This is my prayer...this is my plea

Chorus

Oh I need you with me now.....
